### **FLAT FEE PERMIT PROCESS**

Certain items of improvement or construction on a property within the townships administered by TCPA require only a flat fee permit.

Fill out the attached application form, mail or bring the form to the TCPA office with the fee, and the permit can be issued immediately. You will still need to call CMS for inspections.

The flat fee permit charges – as of March 01, 2015 - are as follows;

Roofing	- \$93.00
Replace window(s)	- \$93.00
Residing	- \$93.00
Replace furnace	- \$93.00
Replace A/C	- \$93.00
Install gas line	- \$93.00
Replace water heater	- \$93.00

Some items – for instance the replacement of the furnace and the A/C at the same time - only require one permit fee.

\* Denotes Required Information for all permits  
 Floodplain Management District:  YES  NO

Shoreland Management District:  YES  NO

You must attach two (2) copies of building plans and a free-hand sketch showing land dimensions, building locations and distances in relation to other buildings, lot lines, roads, road right-of-ways, septic & well locations plus neighboring septic & wells if located in a subdivision or on a small acreage in a developed area. Set-backs apply. Designate North. Variance & Conditional Use permits may also be needed. If this activity is located in a shoreland management district, you must also show distance to the ordinary high water level and certify your existing septic system. Wells must meet required distance from septic systems. A building permit will not be issued for any construction until approval is received from TCPA. A penalty may, and will be assessed up to the amount of the building permit fee, if activity is started prior to obtaining a building permit. Additions to the application or re-inspections may be billed separately when they become applicable and must be paid prior to the inspection(s).

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. Refund and Cancellation Policy: upon request of cancellation of building permits, charges or refunds will be based on expenses for office time, inspections, and zoning fees that were completed prior to the cancellation notice.
