

Dear Township Cooperative Planning Association,

We would like to add our voices in a request for you to consider adding a separate path for bicycles, runners, and pedestrians along Meadow Crossing Road extending to Bamber Valley. On numerous occasions we have witnessed dangerously close exchanges with motor vehicles – it happens all the time. We fear that it is only a matter of time until a more serious incident occurs as, over the years, we have seen the numbers of pedestrians increase on this stretch. We have an opportunity to avoid that by adding a separate path for general public safety.

Thank you for considering,

David Black and Mary Machulda
